

Ageing Well Allies

Helping older people to stay active, connected and well.

Free Training Opportunity

Monday 14th August 2017

9:30am-4:30pm

Stannington Village Hall, Stannington,
Morpeth, Northumberland, NE61 6EL

Target group:

This one day course will be of interest to anyone who through their day to day work has regular contact with older people.

Learning outcomes:

- Understand how being an Ageing Well Ally can support your work in the community.
- Knowledge of the key health Improvement messages; safeguarding adults and keeping safe; how to help people access help.
- Feel confident in signposting older people and others to a range of health and social care and community services for appropriate advice, information and support.
